## HOW TO READ THE RADIAL CHART

These #'s  
need to  
be a different  
font size & weight

## THE CHART

Use  
tooltip  
only  
for  
light  
valve  
reading

This  
isn't  
well  
drawn  
but each  
diagonal  
is the  
same size  
and  
represent  
a  
portion  
of the  
overall  
chart  
ie) the  
clock  
light  
valve  
reading  
and  
activity
